About

PH Attorneys will be hosting an insightful online panel discussion in which the 2024 national budget will be reviewed from a legal, tax, accounting, fiduciary and compliance perspective and what this means for individuals, trusts and companies.

The national budget, as much as it has an economic impact also bears legal, tax and regulatory implications for South African citizens. By registering for this exclusive and free webinar, attendees gain vital insights about the impact of the budget for their personal, family and business planning. All you need to know to make informed choices in 2024.

At PH Attorneys we understand the importance of being proactive and prepared. Join us and be part of the conversation about the implications of Budget 2024 and what you should be ready for.
